
HOW TO BUY MEMBERSHIPS ONLINE, STEP BY STEP

There's finally an online ticketing system that can handle everything we do at The Center. And it's easy to use.

The new system is called Agile Ticketing. Now you can buy memberships and tickets to events with one account. We're confident this will result in a better online experience for you. It will also help us serve you better in the future.

Here is a printable, easy-to-follow guide to purchasing your memberships online. If you need more help, please call us at 979-265-7661. You can also swing by the office at The Center during regular business hours. We're happy to give you a tour of the new system.

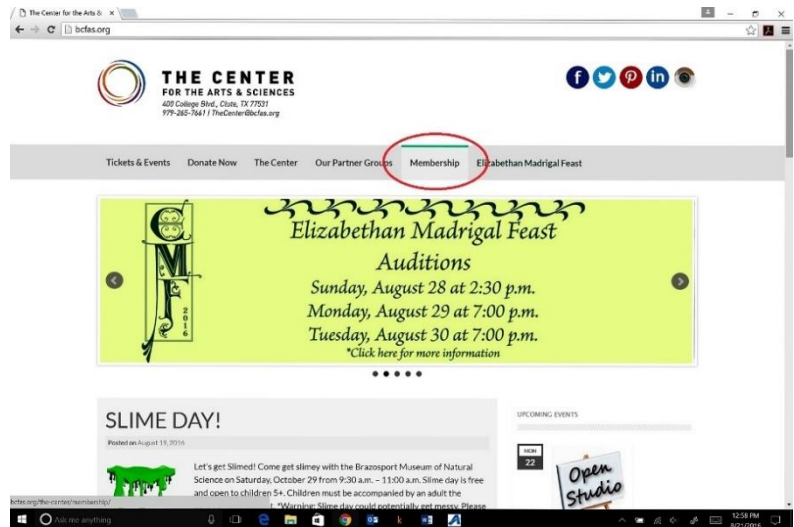

Once you have purchased your membership(s), write the membership number here for easy reference:
