

The Searcher
Sea Shell Searchers of Brazoria County
October 2016

President's Message: I hope everyone had a great month. Did anyone walk on the beach? The heat of summer has let up a bit the past few days. Hopefully that will mean winter's on the way.

Frank Petway is working on a couple of field trips for the club. Try to attend the meeting this month to learn more about it and help us shape future trips.

I will be out of town on a business trip and unable to attend the shell club meeting this month. Hopefully I can get most of my travel finished for a while so I don't have to miss future club meetings.
