

# THE SEARCHER

a publication of the Sea Shell Searchers of Brazoria County

January, 2004

The primary purpose of the Sea Shell Searchers of Brazoria County, a not for profit organization, is to provide educational opportunities for the scientific study and conservation of molluscs and other related fields.

Membership is open to everyone. See the club web page for details. Correspondence regarding the newsletter should be directed to Newsletter Editor, SSSBC, 400 College Dr, Clute Texas 77531. <<http://bcfas.org/museum/SSSBC/SSSBC.html>>

## Next meeting Jan 6th 7:00 PM at Museum of Natural Science

400 College Dr Clute, Tx

Dave & Nancy Barziza will present the program on one of their many shelling trips.

## Presidents Message

By the time you read this some club members have just returned from South Padre. I understand that the weather was not cooperative and the trip was cut short. Better luck next time.

As we enter a new year let us be thinking about what our club can do for the community to enrich the learning of shells and our coastal environment and what we can do for COA to help the shelling hunt continue. Hold that thought, I have to get the pie out of the oven. If you have suggestions for field trips or just plain old get-togethers, be sure to tell Dean. She is great at organizing a social with the best food in town. Had to leave again the dryer was calling me. OK, back on track.

I know Steven would like to hear from you as to what type of programs you would like to have. Let him know what your interest is. The first person to make a suggestion to him at the January meeting will receive a small prize. In January Dave & Nancy Barziza will present the program on one or more of their many shelling trips.

The shell show committee could use some more members. They don't have a lot of meetings but they do a lot of delegating and phone communication and would appreciate your help. The suggestion has been made to host COA in 2006. If we want to do this, we need to decide now!!!

Let us all remember to ask Freida if we can sign-up to bring refreshments to the meetings for the next few months. The first person to sign-up at the January meeting will receive a small prize. Our "supper" before the meeting is appreciated by many especially our members who come from out-of-town.

Speaking of membership, most of our members are not local and travel some distance to be with us. However, our membership is down this year. Anyone have suggestions for how to increase the number? Just a minute, the phone is ringing. Be sure to see the Shell Game elsewhere in this newsletter. The person with the most shell words will receive a prize.

I hope everyone has had a safe and happy holiday season. Looking forward to seeing everyone at the January 6<sup>th</sup> meeting. Until then...

Happy Shelling,

Wanda
