## President's Message:

I hope everyone had a safe and shelling good Summer. Several members attended the Conchologists of America Convention in Punta Rassa this Summer. Ask about it and I bet you will get to hear some good stories.

Another club year is about to begin. This year I would like to involve more members in the club activities. There are numerous committees that need chairmen and I would encourage you to step up and volunteer. Some of opportunities to participate in the club activities include:

- Newsletter Editor
- Field Trip Committee
- Historian
- Publicity
- Hospitality

Please give some thought to volunteering for one of these positions. If you have any questions, please contact me.

There are some folks who are evaluating the feasibility of joining with the other Texas shell clubs and jointly hosting the Conchologists of America Convention in San Antonio. They are looking at 2007 or 2008. Here would be another opportunity to get involved with shelling and COA. More information to come.

## **SEA SHELL SEARCHER PICNIC AT QUINTANA**

There was a good turnout for our annual picnic at the County Park at Quintana. There was a rocky start as there was a power outage for the first couple of hours but it was later restored. The food was good and everyone who played a role deserves a pat on the back. Below are a few pictures from the picnic. Feel free to add your own captions.
