Memo from the editor:

1. The HARRISES and HUMBIRDS had a great time in Panama. We experienced some Panamanian culture with a visit to a native Panamanian village and a program of Panamanian dances at a local restaurant. Shelling was great. Jimmy Ernest has made some improvements to his island property. Those who have been there or seen pictures would not recognize the place. Unfortunately we had to eat local foods: fresh fish, shrimp, lobster, pineapple, watermelon, etc. Of course there was rice and beans with the main meal. The island ladies are wonderful cooks. If anyone is interested, we took a FEW pictures we might be willing to share.
2. Thanks to Wanda Coker for taking the minutes of the last meeting.
3. Congratulations to Janey and Felix on successfully getting married.

Hope to see everyone at the meeting Tuesday,

Patty
