1. Remember to put the Jamboree dates on your calendar – May 4-6. (This will be a repeating announcement.)
2. The silent auction of museum shells will be a monthly event.
3. On October 11 (same time and place as our meetings) the Archaeology Society will host their annual Archaeology Month program. This year it will be on the Battleship Texas and the Dreadnaught fleet. All are welcome to attend. Give the Humbirds a call for more information.
4. Wayne Humbird still has cases available at the Fair. We are in need of exhibits related to shells or shelling. We particularly need a junior exhibit or two. Hint, Hint.
